***¡Bienvenidos!***

Welcome to the 2009-2010 school year! Central Linn is using a new curriculum called AVENCEMOS by McDougall Littell. You will use a textbook in the classroom and access the e-text and on-line activities both inside and outside the classroom. The on-line activities include: audio-visual activities, games, worksheets, cultural sites, quizzes and tests, and more.

This is a great opportunity to utilize technology with language learning and cultural exploration.

You will be in charge of your daily class and overall language learning experience. Each day you will choose between a variety of language and culture tasks. This freedom to move at your own pace creates possibilities for progressing through the language levels and truly becoming bilingual.

***¡Todo es posible!***

## Las Calificaciones *Grades*

Grades will be determined by:

- 50% Class Participation
- 20% Quizzes & Tests
- 20% Projects
- 10% Homework

Always put your work in the appropriate box in the front of the class. If you hand it directly to the teacher, it will likely get lost... and it will be your loss! All papers must be labeled with your name, class/period, date, and assignment including the page number.

### Late Work

Late homework without a valid reason is subject to a late penalty; the amount of the penalty will depend on how late the homework is and how much of the assignment has been discussed in class. If you are absent, turn in your work the next day that you are here.
