

# CENTRAL LINN SCHOOL BOARD UPDATE

April 9, 2018

## COMMUNICATION

Each month, teachers may nominate students for the Superintendent's Award. The award is given in recognition of outstanding personal accomplishments. Recipients for April were: Greyson Tenbusch, fourth grade; Noah Whitted, sixth grade; Ryleigh Nofziger, eighth grade; and Juan Garcia, twelfth grade.

## CHARTER SCHOOL HEARING

The Board heard one patron who questioned if there were any additional resources, like training, available to CL Staff, if the district sponsors the charter school? Superintendent Gardner thought there would be some in the areas of student management systems. Also, would the charter school teachers be inside district buildings?
