What is “STEAM Night”? STEAM stands for science, technology, engineering, arts and mathematics! This year all of our classes have been working on projects and assignments to share on STEAM night! Come see how we put STEAM into action!

During STEAM night on November 2, there will be a Chili Cook-off to go with our Free Hot Dog Dinner.

Staff and any parents who wants to participate will bring a crock-pot of chili to sample. We will have them numbered with a bucket by each pot with a sample size cup next to them. Try as many as you like and donate in the can or cans of your favorite chili and the can with the most donations wins. The winner will be announced over the intercom that evening and in the Cobra Tales the following week.

Ms. Kildea will also have the REPTILE ROOM to come explore that evening. We will have a donation bucket there as well, but no one will be denied entry without a donation. All donations will go to PTC (Parent Teacher Club) for class funds and future field trips. Donations can be cash or check.

As Flu/ Cold Season comes upon us, a quick reminder. If your student is out more than 3 days, a doctor’s note is required to excuse the absence. Please read the attached guideline for when you need to keep your student home with an illness and when it is appropriate for them to return to school.

COBRA PRIDE DAYS

Every Thursday for the rest of the school year, we are going to show our Cobra PRIDE! On Thursdays, wear your Cobra gear or Cobra colors (blue and red) to show how much you love our school.
