

Cobra Tales

Feb. 7, 2024

Schedule of Events

2/9 – No Friday School / No Friday Enrichment
2/16 –Friday School / Friday Enrichment
2/19 – No School – President’s Day
2/20 – PTC meeting

IMPORTANT!

If you have moved, changed mailing address, changed a phone number or have different primary contact information, PLEASE contact the office immediately to update your information.

Mom’s night out will be on Wednesday, February 21 from 6pm to 8pm in the Elementary Cafeteria.

When entering the Elementary anytime between 7:30am and 4:00pm, you are asked to sign in at the front window. If you are volunteering or visiting even if you are walking your student to a classroom, if you are going anywhere in the building besides the office, you are asked to sign in. There are multiple reasons for this but the most important is student safety.

Ice storm make up days will be on April 5 and May 24.

We are asking that before dropping into a classroom that you are in contact with the classroom teacher ahead of time. A quick “hi “ to a student can result in the loss of instructional time as the class has to get back on track and ready to learn. Additional State Testing is starting if a classroom door has a do not disturb sign – do not open the door, check with office first. Thank you!

We are seeing an increase in students being tardy to class in the mornings. Students are dallying at breakfast and or between the cafeteria and class. If you see a rise in Tardies on your student’s attendance this may be why. Please help us with reinforcing the importance of being on time. Thank you!

State Testing will be starting soon. Opt out information and forms for State testing were sent home last week. If you want to opt your student out of State Testing, please return the opt out form ASAP.

Have you noticed Cobra Tales are being sent through Parent Square? We will still send them home on paper. We will only send by email to those parents or staff that request the Cobra Tales by emailing Leisa.Keyser@centrallinn.k12.or.us.

If your child sees a Medical Provider because they are ill, please bring a doctor’s note to school with them when they return.

CLÉS Spirit Week

Final Day of Sprit Week - Thursday- Cobra or red and blue day- and Spirit Assembly

EARN CASH FOR OUR SCHOOL
NO MORE CLIPPING. ALL YOU NEED IS YOUR SMARTPHONE.

The NEW and improved Box Tops mobile app uses state-of-the-art technology to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

LOOK FOR THE NEW LABEL:

HERE'S HOW IT WORKS:

BUY
BOX TOPS PRODUCTS

You can find Box Tops on hundreds of products throughout the store.

SCAN
YOUR RECEIPT

Use the app to snap a photo of your receipt within 14 days of purchase.

EARN
CASH FOR OUR SCHOOL

Box Tops earnings are identified and automatically updated at BTFE.com.

You do not need to clip or send Box Tops labels to school.

BOX TOPS CLIPS ON PACKAGES

Traditional Box Tops clips are being phased out of production but may continue to be found on many products throughout the store as packages transition to the new Box Tops labels. You can still clip these and send them to school. Please make sure each clip has a valid expiration date.

Central Linn School District is an equal opportunity educator and employer. El Distrito Escolar de Central Linn es una empresa educadora de oportunidad igual.

Si usted tiene preguntas con respecto a la informacion de este boletin de noticias (o para conseguir otra informacion en español) hable con Sra. Maria Guerrero 541-369-3419 Ella está aquí despues de la escuela en la tarde.

Leisa Keyser is the editor of Cobra Tales; please email her at Leisa.Keyser@centrallinn.K12.or.us if you have information to put in the weekly newsletter. Deadline is Monday @ 4pm.

Brownsville Community Library

Mobile Makerspace

Friday, APRIL 5
3:30- 5 PM

Printmaking - Gyotaku

Mid-Valley STEM-CTE HUB

pipe line

Gyotaku printmaking is a traditional form of Japanese art that began over 100 years ago as a way for fishermen to keep record of the fish they caught. They would apply sumi ink to one side of a freshly caught fish, then cover the fish with rice paper and rub an exact image of the fish. While this class will not be using fresh caught fish, we will be learning the technique! Join the Mid-Valley STEM-CTE Hub on Friday, April 7 beginning at 3:30 PM at the Brownsville Community Library Kirk Room to learn about this traditional art form. Mid-Valley STEM-CTE Hub Mobile Makerspace brings STE(A)M (Science, Technology, Engineering, Art, and Math) supplies, tools, and technology to provide students, communities, and schools in Linn and Benton counties with hands-on building, tinkering, and learning experiences. Our mission is to help students develop a “maker mindset.” Library manners expected. No childcare provided. This event is free. For more information, please call the Brownsville Library at 541-466-5454.
