Come enjoy a night out, connect with  
other moms and have fun.  
Bring a snack to share if you would like.  
Childcare is available.  
Questions, text Chandra @ 541-619-2015

A shout out to our 4th grade  
OBOB team that competed at the  
OBOB Regional Tournament in  
Corvallis on Saturday. Amelia  
Neal, Elena Fiorito, Rynn Van  
Cleave, and Annabella Whittam  
did an awesome job representing  
Central Linn Elementary and I  
think they had a lot of fun  
working together and reading  
over the past 4 months! I  
definitely think this experience  
has inspired them for next year.

Our 6th grade team also went to  
Regionals on Saturday (in  
Albany), and they made it to the  
Sweet 16 level and placed 14th  
overall. Rubie Geider, Trinity  
Anderson, Adam Nielsen, and  
Hayden Van Cleave did an  
awesome job representing our  
school!

Way to go Central Linn!

Tracey Pugh, CLES Librarian

Parents and Visitors to the Elementary ~

Everyone must sign in at the office window every time  
you come to volunteer or visit even for a minute  
between the hours of 7:30am and 3:30pm.

If you are volunteering or visiting even if you are walking  
your student to a classroom, if you are going anywhere  
in the building besides the office, you are asked to sign  
in.

Additionally, we are asking that before dropping into a  
classroom that you are in contact with the classroom  
teacher ahead of time. A quick “hi “ to a student can  
result in the loss of instructional time as the class has to  
get back on track and ready to learn. Additional State  
Testing is starting if a classroom door has a do not  
disturb sign – do not open the door, check with office  
first.

If you are here to pick up a student, office staff will call  
your student to the office for dismissal.

Thank you for your help in keeping students safe.  
Student safety is our top priority!

Dear Parents,

I hope this message finds you well. As we continue to foster a  
positive environment at Central Linn Elementary, I want to  
emphasize the importance of being polite and respectful towards all  
members of our school staff.

Our staff members dedicate themselves to ensuring the well-being  
and success of our children. It is essential that we show them the  
kindness and appreciation they deserve in every interaction.

Please remember to:

1. Use polite language and a respectful tone in all interactions.
2. Listen attentively to staff concerns and perspectives.
3. Avoid assumptions or judgments about staff members.
4. Express gratitude for their hard work and dedication.

Additionally, if you encounter any issues or have concerns, please  
don’t hesitate to contact the school office. We are here to help  
address any problems and ensure a positive experience for  
everyone.

By fostering a culture of respect, we strengthen our partnership for  
the benefit of our children’s success.

Thank you for your attention to this matter.

Warm regards, Mr. Sauter

Show your Cobra Pride wear your Cobra gear or Cobra colors (blue and red) every Thursday! Go Cobras!

Brownsville Community Library

**Mobile  
Makerspace**

Friday, APRIL 5  
3:30- 5 PM

**Printmaking - Gyotaku**

Mid-Valley  
STEM-CTE HUB

Gyotaku printmaking is a traditional form of Japanese art that began over 100 years ago as a way for fishermen to keep record of the fish they caught. They would apply sumi ink to one side of a freshly caught fish, then cover the fish with rice paper and rub an exact image of the fish. While this class will not be using fresh caught fish, we will be learning the technique! Join the Mid-Valley STEM-CTE Hub on Friday, April 7 beginning at 3:30 PM at the Brownsville Community Library Kirk Room to learn about this traditional art form. Mid-Valley STEM-CTE Hub Mobile Makerspace brings STE(A)M (Science, Technology, Engineering, Art, and Math) supplies, tools, and technology to provide students, communities, and schools in Linn and Benton counties with hands-on building, tinkering, and learning experiences. Our mission is to help students develop a “maker mindset.” Library manners expected. No childcare provided. This event is free. For more information, please call the Brownsville Library at 541-466-5454.
