CLES Parent Teacher Club (PTC) Needs You

The Central Linn Elementary School Parent Teacher Club (PTC) needs you! Our PTC is most effective when we have many voices and support from our families. At each meeting, we will share ideas on how to carry out fundraising opportunities, how to increase involvement, and how to coordinate different school events, such as AR stores, Book Fairs, etc. No one is required to volunteer, nor share ideas or suggestions, unless you want to. New members are always welcome to join, we love seeing new faces to help connect our school and our community!

PTC Meetings are held on the 3rd Tuesday of the month at 3:30pm. The last meeting of this school year is Tuesday, May 16 at 3:30pm. **Childcare is available at no cost during PTC meetings for all kids in grades Pre-K through 6th grade.** We are trying to make the meetings more accessible, therefore PTC meetings will be held **in person in the Elementary Library and on Zoom.** We are also hoping to hold some evening meetings starting next school year. Please use the link below or scan the QR code below to open the Zoom link.

"I look forward to seeing parent involvement at our meetings. I have been on both sides of PTC, as a parent and now as a teacher. PTC has been a vital part of CLES and continues to provide so much support for our children. Please check us out, see what we have in store for CLES presently, and hopefully be a part of our future endeavors. Please feel free to reach out to me by email, phone or text" Chandra Evans, PTC President and Teacher of Central Linn Early Literacy Program, chandra.evans@centrallinn.k12.or.us or 541-619-2015.

Thank you for your support!

Grades 3-6 will soon begin taking their state assessments. Please, help your student to do their best by ensuring they get a good night's sleep, eats breakfast (available at school if needed) and arrives on time to class.

School starts at 8:00am. It is extremely difficult on students to begin the assessment after their classmates have begun and they come in late.

Please try to schedule any appointments for after school or on Fridays. Phone calls to dismiss students from class can cause a disruption to the testing environment. If you have questions as to when your student's class is testing, please reach out to their teacher or call the office at 541-369-2851.

The Brownsville Library is sponsoring a Mobile STEM program for tweens and teens (ages 10+). This program is free and open to the public.

Friday, May 26 from 2:30 to 4pm: Exploring the Ocean.

We will be exploring the ocean currents and how water moves with a group science experiment. We will talk about how certain sea creatures follow the warming temperature of the water and prey. Lastly, we will engineer our own sea creature.

No childcare and Library manners expected.

This program is in cooperation with the Mid-Valley STEM-CTE HUB.
