Code: **GCA**
Adopted: 9/9/13

License Requirements

The Board, in adhering to Oregon Revised Statutes, shall require all applicants to hold a valid Oregon license as a condition of employment. The district must be able to verify the current license of those offered employment. An applicant whose license cannot be verified prior to the beginning of school or the first day employment is to begin, will not be employed until such license is verified or the offer of employment may be revoked at the discretion of the superintendent. This verification includes all license endorsements. It shall be each licensed staff member's responsibility to keep their license and all endorsements current and to submit evidence to the superintendent's office. This will be considered a condition of continued employment.
