

Central Linn School District 552-C

Code: **IC/ICA**
Adopted: 6/13/94
Revised: 04/14/05

School Calendar/Instructional Days

The superintendent is to prepare a proposed school year calendar for the following year and present it to the Board prior to the regular March Board Meeting of each year. He/She is to actively seek staff input for date selections and attempt to unify the instructional days with other school districts within the County, especially those districts with joint programs with Central Linn schools. After the Board has approved the calendar, except for emergency closure days, any modification of the calendar will require Board action. The calendar is to meet or exceed state minimum requirements.

If sufficient numbers of emergency closure days cause the number of instructional hours to fall below the requirements of OAR 581-022-1620, additional instructional days, may be added to compensate for the loss in hours unless as otherwise provided by law.
