Code: **IKAC**
Adopted: 10/13/97
Revised: 04/14/05

High School Classes/Courses for Eighth Graders

The district encourages students to perform at the highest level possible in their course work. Recognizing that some upper level elementary school age students are able to master existing high school curriculum, it is the policy of the district to allow eighth grade students, who are qualified, to take designated high school classes/courses. High school credit may be granted. Students taking high school courses before grade 9 are required to meet performance criteria that are equivalent to the performance criteria for students taking the same high school classes.
