Student Drug Testing Policy

DEFINITIONS:

- Drug:** Any substance considered illegal by Oregon Statute or which is controlled by the Food and Drug Administration.
- Student Participant:** Any student participating in co-curricular and/or interscholastic athletic programs sponsored by the Central Linn School District, including cheerleaders, dance team members, and Student Body Officers.

Policy Statement:

Central Linn School District #552-C (the district) conducts a random mandatory drug testing program for student participants. Its purpose is threefold: (1) to provide for the health and safety of all student participants; (2) to undermine the effects of peer pressure by providing a legitimate reason for students to refuse to use illegal drugs; and (3) to encourage students who use drugs to participate in drug treatment programs. The superintendent will maintain the appropriate administrative rule to carry out this policy.
